# MX FOAM JET

## Multi Expansion Foam adaptors

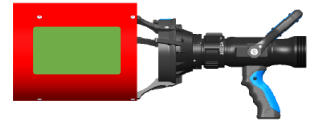

To produce foam, a premix has to be aerated by some means. Leader Multi Expansion Foam adaptors provide a simple solution to aerate the premix at the nozzle outlet.

- Quickly attached or removed
- Adjustable expansion ratio
- Stainless steel screen and aluminum body.
- Weights:

Compact	1.7 kg / 3.75 lbs
Regular	1.8 kg / 4 lbs
Large	2.7 kg / 5.95 lbs

*Leader Nozzles are available  
in 3 different sizes so 3  
different types of Foam  
adaptors are available*

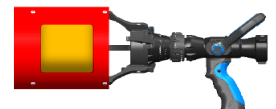

*Large*

*Regular*

*Compact*

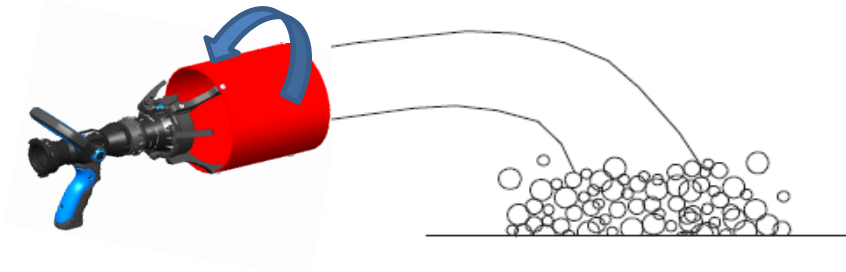

As part of our policy of constant research to improve our products, we reserve the right to modify our products characteristics at any time without notice

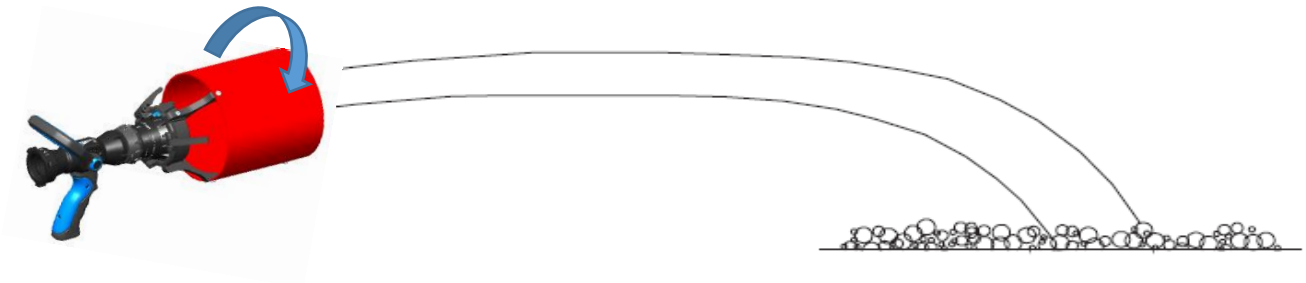

## Easy to use:

### To adjust the expansion ratio:

- Turning toward Fog position will increase the expansion ratio and decrease the reach

- Turning toward straight stream position will decrease the expansion ratio and increase the reach

## Reduced cost of ownership:

Very light maintenance requirement due to the nozzle design and materials used.
